

## Holy Touch

1.       D               A  
Holy Spirit I surrender  
          D               A  
all the things that take your place  
          D               A  
Holy Spirit, come and change my heart  
          fis             E  
For the glory of your Name

Ref.:

          A       E/gis           fis    D  
Come, fill my heart with your holy touch  
          A       E/gis           fis    D  
Come, fill my heart with your holy touch

2.       D               A  
Out of me I am not worthy  
          D               A  
But you say I am your child  
          D               A  
Your grace for me is overwhelming  
          fis             E  
You`re the one who satisfies

Bridge:

          fis        E           A   E/gis  
You refresh my empty soul  
          fis        E           D  
Where you are is where I wanna go  
          fis        E           A   E/gis  
Whatever you lead me trough  
          fis        E           D  
I`m glad as long as I`m close to you
